

February 13, 1996 LB 1050, 1375

SPEAKER WITHEM: Senator Bohlke.

SENATOR BOHLKE: Mr. Speaker, I have a priority motion to adjourn until tomorrow morning.

SPEAKER WITHEM: The agenda contemplates...and I'd make this comment. When we prepared the agenda we were contemplating coming in at eight-thirty tomorrow morning to do an hours worth of consent calendar. Is that your motion?

SENATOR BOHLKE: My motion would be to adjourn until eight-thirty, February 14th.

SPEAKER WITHEM: Mr. Clerk, any items for the record?

CLERK: Mr. President, thank you. Transportation Committee offers a gubernatorial confirmation hearing report. Hearing notice from Health and Human Services. Senators Witek, Cudaback, Janssen, Robinson, Schmitt, Stuhr, Hilgert, Chambers, Preister, Vrtiska, and Pirsch would like to add their names to LB 1375. That's all that I have, Mr. President. (See pages 785-86 of the Legislative Journal.)

SPEAKER WITHEM: You've heard the motion. Motion is to adjourn until eight-thirty tomorrow morning. And I would just make a comment that this is a kind of a continuation of an experiment we began last session by, once a week, on Wednesday, taking about one hour worth of consent calendar bills. If we all get here at eight-thirty and get started, we can get a big chunk of those out of the way. If we don't, then that will be an indication of not a tremendous amount of interest in continuing with the consent calendar concept. So I would urge you, if you like this idea, to be here as promptly as you can. With that, motion is to adjourn. All of those in favor say aye. All opposed. We are adjourned.
